**ORDER**

**BEFORE THE COURT** is the trial in this matter currently scheduled for September 13, 2021. For the reasons stated herein, the time to try this case is extended up to and including January 10, 2022.

In response to the COVID-19 pandemic, the Chief Judge of the District Court of the Virgin Islands entered a general order concerning operations of the Court on March 17, 2020. The Chief Judge has thus far extended the order sixteen times, finding that the ends of justice require excluding March 18, 2020, through September 30, 2021, from the Speedy Trial count in all criminal matters.

To date, the COVID-19 virus has claimed more than 656,000 lives in the United States (65 of which have been in the U.S. Virgin Islands). COVID-19 continues to present an unpredictable threat to public health and safety, as shown in the recent surge in COVID-19 cases both in the continental United States and the Virgin Islands. As such, the Court finds that extending the period within which Defendant Mangampat may be tried under the Speedy Trial Act is necessary for the protection and well-being of the Defendant, the jury, the prosecutors, the witnesses, the Court's personnel, and the general public at large.

The premises considered, it is hereby

**ORDERED** that the time beginning from the date of this order granting an extension through January 10, 2022, **SHALL** be excluded in computing the time within which the trial in this matter must be initiated pursuant to 18 U.S.C. § 3161; it is further
